

PREVAIL

Hero of the Month!

September 2021 Gary Deakyne

Prevail is pleased to announce that Gary Deakyne is our September Hero of the Month!

Following the most successful fundraising event Prevail has had in our 35 years, we could think of no one more deserving than Gary. Because of his passion and voice, the live auction at this year's 35th Anniversary Celebration of Hope raised over \$73,000!

Gary has been a supporter of Prevail for many years and he has selflessly given his time, treasure, and talent to ensure victims of crime, abuse, and their families have access to free life-saving services. His dedication to serving others is extraordinary and the community is lucky to have him.

Gary, your impact on the lives of others goes far beyond the Celebration of Hope and is deeply rooted in the mission of Prevail. We are thankful for you and the amount of passion you put into all that you do. Thank you for giving a voice to victims and for saving lives here in Central Indiana.

Thank you Gary!
You are our hero!
