

Telling me what I can wear.

Borrowing my things without asking

Using a nickname

Sitting right next to me

high-fives
hand shakes

Spending time apart

Texting me in class

Making plans last-minute

Asking before touching

Addressing disagreements

Respecting my "no"

Saying "I understand"

Asking what I need

safe

Making sure we agree about plans.

Maybe safe

hugging me

hitting me
Telling me it will all be ok.

Calling me names

Not safe

Making me pray/not letting me pray

Forcing me to have sex

Using drugs
