

PREVAIL

Hero of the Month!

January 2020

Jenny Whipple!

Prevail is honored to name Jenny Whipple as our hero of the month for January.

Jenny has been providing cleaning services to Prevail's building for over 15 years and so much more!

Everyone at Prevail loves seeing Jenny when we are here in the evenings. She has a way of making us all feel seen and remembered. Some staff see her every week if they work the evenings she is here. They enjoy her kind smile and helpful demeanor. For those who are not in the office with Jenny on a regular basis, we are always impressed with her ability to remember us and pick up our conversation where we left off last time we saw her, even if it was a month ago. She stops in to check on staff who are staying later than normal to see how they are doing, she goes above and beyond occasionally doing dishes to help out on busy group nights, and decorates the Prevail office during the holiday time.

She is just a genuinely kind, thoughtful, and caring person. It is a pleasure to interact with her and we consider her a huge part of our support team here at Prevail.

Join us in thanking Jenny for all she does for Prevail as we recognize her as our hero!

Thank you Jenny! You are our HERO!
