

PREVAIL

Hero of the Month!

November 2020
Mikki Perrine!

Walking into Ginger's Cafe in Noblesville, you will be greeted by two things: the sight and smell of amazing food and smiling faces. To anyone familiar with Ginger's, and owner Mikki Perrine, this greeting is not unusual. Come by most days, and the parking lot of the cafe is full of cars belonging to local law enforcement, community group members gathering for meetings, and the general public who love Ginger's welcoming environment and food. However, Mikki has done more for the community than create a safe gathering place. Mikki's commitment and loyalty to her customers and community runs far deeper. And for that, and for her continued support and generosity for Prevail, we would like to name Mikki Perrine Prevail's Hero of the Month for November 2020.

Mikki has been a long-time supporter of Prevail, providing food and goodies for numerous Prevail events over the years. Even this year, when restaurants have been hit hard by the Covid pandemic, Mikki has not only stepped up- she has gone above and beyond. And her giving is not limited to Prevail- Mikki provides goods to groups throughout the community because, in her own words, "everyone is hurting." Mikki's heart and compassion is inspiring, and we are so glad to have her in our corner (and in our building). And, if you haven't- please try her cheeseburger pickle soup.

You'll become a customer for life!

Thank you Mikki! You are our hero!
