

PREVAIL

Hero of the Month!

June 2018
Jessica Paxson
*Deputy Sex Crimes Prosecutor
Hamilton County*

Prevail is pleased to recognize Jessica Paxson, deputy sex crimes prosecutor, as Prevail's Hero of the Month.

Over the past several years, Jessica has engaged and supported the investigations of sexual assault in the Hamilton County community by facilitating our county's Sexual Assault Response Team (SART) and our Multiple Disciplinary Team (MDT). She has shown a strong desire in supporting survivors and holding offenders accountable for their actions.

Her preparation for court is thorough and her representation of the state's case is passionate and powerful. Most importantly, she is responsive to the needs of survivors throughout their exposure to the criminal justice system. She meets when and where they feel comfortable.

Jessica makes sure their voices are heard and collaborates to ensure they have the resources needed to be successful. After each survivor testifies, she provides them a handwritten letter. Her interaction leaves survivors knowing that she fought for them no matter the outcome.

Thank you Jessica! You are our Hero!
